

2020 AGM Band Report

The Band played at the Parish Carol service on the 16th of December and was preparing for the usual St Patrick's Day outing to the Parish Centre when all GAA activities were suspended due to the outbreak of Covid 19. Since then it has not been permitted by Public Health authorities to resume practices indoors. It remains to be seen how well the Band can re-emerge from the pandemic or whenever we get the go-ahead again for indoor practising.

2020

Irish Language

We were unable to lift the usual Irish Language Collection this year and as Gaeltacht courses were cancelled this year no club scholarships were awarded. We had hoped to start an Ciorcal Comhrá in the club this year but hopefully when times get better we will be able to move on that.
