

## Social Committee Report 2021

First and foremost, I would like to thank all our club members and patrons who have used the facility here in Mary street throughout this year. Although 2021 started with the closure of all GAA social clubs across Ireland, the facilities here in Mary Street, were able to open when Covid restrictions were relaxed in May.

In the months from May up until this evening we have had numerous bookings including sporting events, birthday parties, staff parties, wedding & engagement parties. The enhancement of our yard made the club a very suitable venue during the great weather during the summer months.

Finally, I would like to thank several people for their continuing help and support. To the bar staff for all their great work over the past year To Gareth McClorey, our WiFi co-ordinator for all his work with sporting events. The lotto team including the draw master himself Davy Duffy. To Michael Moore for all his work in the ordering of stock and to Daniel, Shane Aisling, Paul & Larry for all their help in co-ordinating events.

All these people make up the small cogs that keep this great club turning over every day. Without one of these small parts the Social Club would not work as smoothly as it does.

Looking forward to 2022, it is hoped that our facilities will be open and continue to be used by the community.

Le Meas,

Breandán de Rís
