A Chairde,

January of each year would usually see the Club commencing one of their main activities, the annual Registration of our members. Unfortunately, the ongoing COVID situation makes registration days in our clubrooms unviable. However, the Club will continue its preparations for the 2022 season so that we are ready for teams to return to training in the coming weeks and months.

The GAA have continued the development the online platform www.Foireann.ie and this remains our primary system for the Club. Membership is now available for all members to register and pay online for the 2022 season.

All members that previously used Foireann, the same login details will continue to give you access. For all new users please refer to the [Foireann Help Centre](#) for assistance in creating a new account and where applicable establishing your Family setup. You can access the Foireann login page using the following [LINK](#).

Once you have successfully created and logged into your Foireann account, all of the membership options in Table 1 will be available under the **Cumann Pheadair Naofa** GAA Club. You add this Club to your profile as shown below. **DO NOT ADD THE INDEPENDENT TEAMS TO YOUR PROFILE.**
